PERSONAL PROTECTIVE EQUIPMENT IS AVAILABLE AT YOUR LOCAL EMERGENCY MANAGEMENT AGENCY (EMA)

Dear Home Operators,

The National Alliance on Mental Illness of Ohio (NAMI Ohio) and the Ohio Adult Care Facility Association just received notice that 4.1 million pieces of Personal Protective Equipment (PPE) is being distributed to local Emergency Management Agencies across Ohio. In the Governor's April 30th announcement, he stated, "the PPE will be distributed locally by county EMAs to nursing homes, jails, **CONGREGATE LIVING FACILITIES**, hospitals, and first responders."

The pieces of PPE that were included in the shipments to local EMAs are:

- 500,000 N95 masks
- 850,000 face shields
- 750,000 surgical-type masks
- 2 million non-medical gloves

NAMI Ohio and the Ohio Adult Care Facilities Association are requesting that you **contact your local EMA** to discuss the process of accessing these supplies. Your local ADAMH Board may also be able to help you through this

process.

The process for accessing the PPE may be different for each local EMA so it is important that **you contact your local EMA directly** as we do not know each process.

To contact your local Emergency Management Agency, please click the link below to find their contact information:
