Dear Home Operators,

We have reached out to OhioMHAS's Licensure and Certification Department about the many concerns that you all have had regarding taking in new residents and staff members.

We have been advised to reach out to your surveyor for the specific issues or Donna Sabo. You can reach Donna through her email at donna.sabo@mha.ohio.gov.

Your surveyor and Donna will be able to answer any questions you have related to the licensure rules. If you have general questions, you are always able to contact **Emy-Lynn** at emylynn@namiohio.org or **440-213-9859** or **Terry Russell** at terry@namiohio.org or **614-224-2700**.

We are all in this together and will help each other to get through this tough time. Stay strong and stay safe.

Thanks,

Emy-Lynn
